Alverstone
Infant
School**

Charity No. 1119760

Alverstone Community Infant School
Ashburton Road
Alverstone
Gosport
PO12 2LH

Dear Parents/Carers

Your 'Friends of Alverstone Infant School' needs you!

We hope you enjoyed the 'Welcome BBQ' on Friday.

'Friends of Alverstone Infant School' is a charitable organisation managed and run by a small group of parents which supports the school by raising funds through a variety of fun events for the children at the school and their families. These events include the very popular Halloween Trail, summer/Christmas fayres, cake and ice cream sales, school discos, Welcome BBQ, Mothers' and Fathers' day sales and many more. Funds raised in previous years have paid for additional class resources, IT equipment, activity trail and revamp of the Year R outdoor area. We also pay for every child to receive a present from Father Christmas, an Easter egg from the Easter Bunny and ice lollies on sports day.

The support 'Friends of Alverstone Infant School' provides helps the school in creating a happy, caring, safe and stimulating learning community where individuality is valued and all are inspired to become motivated, confident and successful learners.

The 'Friends' can only operate if there is a dedicated group of parent volunteers, which is currently very small, and many hands make light work! Therefore, we would like to invite anyone who may have some spare time to help or support 'Friends' in any way to come along to the **Old Lodge, Alverstone at 8.00pm on Thursday, 14th October 2021** to see how you can get involved and provide an opportunity to broaden the group and seek new ideas and thoughts.

Please help support the school by becoming a 'Friends of Alverstone Infant School' volunteer!

Kind regards
Friends of Alverstone Infant School
