

# Alverstone Infant School

2<sup>nd</sup> November 2020

Dear Parents and Carers

I do hope that you managed to enjoy a relaxing half term with your families, and we are glad to have everyone back to school today.

As you know, schools are staying open during the latest lockdown. To further enhance our safety procedures, we would now ask all adults to wear a face mask when dropping off and picking up children and at all times on the school site. This is because it is difficult to maintain social distancing with large numbers of people arriving and leaving at the same time and will give an extra measure of protection for everyone.

Thank you for your help in this and please get in contact if this measure will cause you any difficulty.

Kind regards

Steph Greenwood  
Headteacher
