

Alverstone Infant School

2nd October 2020

Dear Year R Parents/Carers

Next week we will be starting our whole class phonics lessons. This is how we introduce children to letter sounds as the first steps to learning to read. These sessions will be supported by access to the scheme "Floppy Phonics" through Oxford Owl.

The attached information booklet will give you guidance on how to use the website www.oxfordowl.co.uk Each week we will let you know our focus sounds for the week through your child's reading diary, and we will be sending home learning sheets to support this. At the moment we will be focussing on learning the letter sound rather than how to write it.

Your child's class login is: chip1

Password: chip

If you have any questions or need further guidance please request a phone call from the class teacher.

Kind regards
Year R Team
