

Alverstone Infant School

20th November 2020

Dear Year R Parents and Carers

School photographs

We have been told that some of the school photos were not as lovely as we would have liked due to jumpers not being put on etc. This was mainly because the Year R children were photographed later in the day after they had been playing for a while.

Alex Guy, our photographer, has agreed to come back and take photos of the children at the start of the morning when they are all looking pristine! This will be on Wednesday, 2nd December.

He will photograph all the children again so that you can choose your favourite.

Morning drop off timings

Now that we are in a good routine for the morning drop off, we would like the Year R children to all be in school by 9.05am so that they can start their lessons a little earlier. Please drop off Year R children between 8.55am and 9.05am unless you have older siblings, in which case you may drop off at an earlier time.

Kind regards

Steph Greenwood
Headteacher
