Dear Year R Parents/Carers

Reading Guidance

We are really pleased with how well the children are doing with early reading skills. In normal times, we would invite you to come along to watch a reading lesson in the classroom. As we cannot do that this year, we have put together a PowerPoint to guide you through the process of reading in school. We hope it will be useful for when you are reading at home.

At the end of the slideshow there is a link to a YouTube clip of Mrs Dawson reading with a child. Please watch this if you would like to see how she encourages the child to develop her reading skills.

Kind regards

Steph Greenwood
