31st December 2020

Dear Parents and Carers

We do hope that you have had a relaxing Christmas with your families.

As you will know, primary schools in our area are able to open as planned next week. Drop off and pick up timings will be as before, and our 'bubble system' will be maintained. We are, however, aware of the increased transmission of the coronavirus in Tier 4, and so we are revising our risk assessment to enhance social distancing in school wherever possible.

Please help us by following these guidelines:

Only one adult to come onsite to drop off and pick up children, and please wear a mask.

Keep at least a 2 metre distance from other parents and children when on school site, and leave the area immediately after drop off.

Please don't approach the classroom doors; any messages to teachers should be passed via the office by email or telephone message.

Please follow Tier 4 guidance and avoid allowing children to be in close contact with other families.

From next week, staff have been asked to wear a clear plastic visor type mask as further protection. It will be helpful if you can explain to your child that they will be seeing adults in these around school.

Thank you for your ongoing support with these measures. Here's hoping that this will be the last term for all of this and that we can soon get back to normality!

Yours sincerely

S Greenwood
