Mrs J Clist

June 2021

Dear Parents/Carers and Children

Welcome to the Alverstone Infant School Year R Classes! As we are no longer able to continue with the originally planned transition programme, this will be the first of a weekly communication to help you learn more about your new school. We plan for the further communications to be via Tapestry, the online learning journal that we use in school. For us to be able to do this, we need all admission paperwork completed and returned to the school office as soon as possible, as this includes your permission for Tapestry. Thank you to those who have already done this.

The next communication will be further information regarding your child's class and transition dates in September 2021.

From the Year R team
