

Alverstone Infant School

22nd February 2021

Dear Year 2 Parents/Carers

Just a few notices to tell you about this week:

- Don't forget to send in your child's Captain Tom challenge photos by email so that we can display them at school.
- Mrs Osborn will be joining the Year 2 team on Thursday.
- Sadly (but happily) Miss Rowland leaves to go on her maternity leave on Friday, 26th February.

Mrs Griffiths is planning to make the Wednesday morning 9.30am session a fun goodbye to Miss Rowland but she needs your child's help in giving her a super dooper send off and wish her well as a new Mum. (If your child is in the Keyworker Pod, we will be doing this in school in the morning session).

1. Make a plasticine/play dough baby and Miss Rowland will judge which is the best.
 2. A sentence of advice as a new Mum. What would your child advise a good Mum does or should do?
 3. A boy's name suggestion
 4. Bring to the session a baby toy or item (it could be something from when they were a baby or belongs to a younger sibling)
 5. Draw a little baby picture that can be held up to the camera that says Good luck or Good-bye. We will put these in a keepsake book for her.
- Outdoor learning day on Friday 26th February:
Keyworker group - children to come to school in warm clothes, wellies or trainers, long trousers, top half uniform and a warm coat. Remember your water bottle please.
Home learners – Miss Rowland will still do our live sessions, where she will go through the outdoor learning activities with the children. She will then meet them again at 1.30pm with fun and games linked to the day's activities.
 - Don't forget to get your child to dress their potato as any book character for *World Book Day on 4th March*.

Kind regards

Year 2 Team
