

Year R Timetable of live lessons w/c 11/1/2021

Monday	9-9.20 am Live lesson-phonics	2.30 pm story-time
Tuesday	9-9.20 am Live lesson-topic story	2.30 pm story-time
Wednesday	9-9.20 am Live lesson-maths	2.30 story time
Thursday	9-9.20 am Live lesson-phonics	1.00 whole school birthday assembly
Friday	9-9.20 am-shared reading	2.30 PDL assembly

Above is a timetable to show you when we will be teaching live lessons. For those pupils unable to access the live sessions they will be recorded so they can be accessed at another time. For these lessons to be successful we request that your child's microphone is muted, unless they are asked to unmute by the teacher. As this is all new to them your child will probably need support for this initially.

Daily learning expectations are as follows:

Every day we will post on Tapestry a Maths activity, a phonics activity and an activity that links to the weekly topic. These sessions should take 20-30 minutes and remember to have plenty of active breaks, we will give you suggestions for these too.

Please 'like' these posts as we like to know that you are accessing these. Remember to share your child's home learning on Tapestry, this could be on a daily basis or at the end of the week. We really value this and will ensure that we comment on any work that we see.

Please remember to read with your child daily, there are lots of books on Oxford Owl or just share a book you have at home.

We hope that you will find this information helpful and that your child will enjoy the activities we set, we know that learning at home can be tricky, so please feel free to contact us if you need any further help or advice.

Good Luck!

The Year R Team
