8<sup>th</sup> January 2021

Dear Year R Parents and Carers

Thank you for your support this week in these trying circumstances. We now have our systems up and running for live lessons and remote learning.

Please see the attached timetable for live lessons and a note from the teachers.

Please bear in mind that teachers are having to manage this home learning offer whilst also over-seeing the learning for children in school. The technology is new to most of us, and not entirely reliable, so please bear with us if things are not quite as smooth as we would like. Some live lessons will be recorded and the link posted on the classwork page if you can't participate at the scheduled time. If you do not wish your child to be seen on the recording please ensure your camera is switched off.

If, as a parent, you need to ask the teacher a question please email directly on the following addresses:

[s.white@alverstone-inf.hants.sch.uk](mailto:s.white@alverstone-inf.hants.sch.uk)  
[k.dawson@alverstone-inf.hants.sch.uk](mailto:k.dawson@alverstone-inf.hants.sch.uk)  
[g.hillier@alverstone-inf.hants.sch.uk](mailto:g.hillier@alverstone-inf.hants.sch.uk)

Home learning does not suit all children. Please don't worry if your child does not want to join a live lesson or has an 'off' day. Please let the teacher know if you are concerned about any aspect of remote education.

If you would like to contact our Child and Family Support Worker about your child's behaviour or well-being, please email: [d.mcewan@alverstone-inf.hants.sch.uk](mailto:d.mcewan@alverstone-inf.hants.sch.uk)

Help is available if you pay for data usage for home learning. Please contact the school office for more information about this.

We now have up to 50% of the children coming into school as children of critical key workers or in a vulnerable category. Please only request a place if it is strictly necessary. We are happy for children to wear tracksuits and trainers (with schools sweatshirts or cardigans) as there may be additional opportunities for outdoor learning and PE. There will be an outdoor PE lesson every Thursday for children in school.

Yours sincerely

S Greenwood
